Ag News

Hello Liberty City! We wanted to inform you of all the awesome things Sabine FFA has been up to since the first day of School!

August:

10th- First day of school! This year we began our 7th grade agriculture science classes which are called “Flight Plan”. We LOVE getting students involved at an earlier age! We are very excited for this year to progress with our 7th and 8th grade classes!

21st- We had our first FFA meeting of the year and celebrated with an Ice Cream social! We were able to meet with several new FFA members and got all of the kids hyped up on Ice Cream before the meeting. We are so grateful for everyone who is wanting to get involved and are in awe of how much our program is growing! Our Fall Major Livestock Show entries were also due today as well!

30th- We had our first workout wednesday! Laney and Daxton were out in the barn working and taking care of their animals. This is a time where the teachers are available for students who need help with their show animal projects. It is also a time where students who are working towards earning buckle points, are able to work as well.

September:

1st- Students were announced as the Harvest Festival Junior board members. These students applied and were chosen to represent for the 2023-2024 season! The Jr Board members are: Maggie Carter, Klair Carpenter, Mya Stuart, Brayden Dougan and Mckenzie Carter.

4th- We recently had three jackpot shows that our students participated in: the Longview jackpot, Gilmer Jackpot and Mineola Jackpot. Our members have been working hard with their animals which has paid off at these shows.

Carly Parrott recently won Grand Champion at the Mineola Jackpot show with her Wether Goat project.

5th- Floral Design students completed their Homecoming Mums and Homecoming Garters in preparation for Homecoming week! This is always a favorite for our Floral Design Students! This project takes about three weeks to complete each year.

11th- Tonight is our Annual Kick off FFA meeting! Our Fundraising company, Fresh Country Fundraising, has provided the meat for our meal tonight! We will be discussing our Fundraiser and sharing why fundraising is important for our FFA organization as a whole. We benefit from the amazing supporters of our community and would not be able to be successful without their support!

13th- We had a HUGE participation of students want to participate in the Homecoming Parade this year! We love participating in events like this so our younger members have the possibility to participate in an event as well!

Stay tuned for more awesome Sabine FFA News! *Article submitted by Lacey Garza, Sabine HS Ag Teacher.*

Sabine Students Compete at the 2023 AAU Junior Olympic Games

Two of our Sabine students, Samson Black (bottom photo) a junior at Sabine High School and McCallen Evans (top photo), a 5th grader at Sabine Elementary both qualified and competed against kids from all across the country at The AAU Junior Olympic Games this summer. The AAU Junior Olympic Games for Track and Field were held in Des Moines, Iowa, the competition lasted from July 26 to August 5 of 2023.

Through encouragement from a Sabine coach Sam tried shot put & disc for the first time in 7th grade. A couple of years later he began throwing for summer track in 2022. Samson won gold at district, regionals and made his way to state in his sophomore season. This summer Sam won meet after meet here in Texas awarding him the opportunity to compete at the Nike, and USATF Nationals in Oregon then finally the AAU Nationals in Des Moines. Samson placed 2nd in the nation for shot put and 3rd in the nation for discus. He looks forward to next season as he prepares to represent Sabine to the best of his abilities!

McCallen has always loved to run but had never participated in track before joining Beast Texas Track Club this past spring. He ran and long jumped in many meets this past spring and summer winning 12 medals and two 1st place ribbons which earned him the chance to participate in the Junior Olympic Games. His 4x400 relay team placed 25th in the Nation and McCallen placed 52nd in the nation for 11-year old boys long jump. We are very proud of him for working hard making it so far in his 1st year! He is excited to compete again next year and is counting the days until he can run for Coach Hefner and Sabine ISD. *Article submitted by Charquay Evans, mother of McCallen Evans.*
