

We are excited to begin a new year at Sabine Elementary. Our district is requiring all students to prove residency. Please provide proof for each campus your student attends. Our offices will be open the week of (July 27-31), (August 5-7) and (August 10 & 11) from 8:00-4:00. The only documents that will be accepted as proof of residency will be a **current electric bill, water bill or lease agreement.** You will be required to provide the documents before the first day of school on Wednesday, August 12. If we do not receive the documents required, your child will not be allowed to begin school. You can provide the documentation in person, email a photo of the document, scan the document and send through email, or a faxed document will be accepted. Please make sure you provide the first and last name of your student(s) along with the grade level. You may email your document to ... [astephens@sabineisd.org](mailto:astephens@sabineisd.org)

Office – (903)-984-5320

Fax – (903)-984-4101

We greatly appreciate your cooperation.

Ms. Bass
